

# STUDIO 17

## WE'RE BACK!

Classes resume TODAY, January 2nd. We can't wait to see you back at the studio.

## COSTUMES

The remaining costumes we were waiting on (with the exception of Twirling Tots and Boppin Babies) are here, as well as most size exchanges. We will try these on in classes this week!

## FINALE

NEW this season! We're excited to announce, for the first time ever, your dancer can participate in our recital FINALE! Close the show with us and be part of this new tradition.

Similar to opening number, participation will require a costume fee and several mandatory rehearsals. *Please note, this will replace our previous opening number routine.*

Look for more info soon!
